Energy performance certificate (EPC) 30 Inwell Grove Eccles MANCHESTER M30 0ES Energy rating Certificate number: 4120-9186-0334-6008-1773 Property type End-terrace house Total floor area 103 square metres

Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read <u>guidance</u> for <u>landlords</u> on the <u>regulations</u> and <u>exemptions</u> (https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's current energy rating is E. It has the potential to be C.

<u>See how to improve this property's energy efficiency.</u>

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D the average energy score is 60

Breakdown of property's energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property's age and type. They are used for features the assessor could not inspect.

Feature	Description	Rating
Wall	Solid brick, as built, no insulation (assumed)	Very poor
Roof	Pitched, 150 mm loft insulation	Good
Window	Fully double glazed	Average
Main heating	Boiler and radiators, mains gas	Good
Main heating control	Programmer, TRVs and bypass	Average
Hot water	From main system	Good
Lighting	Low energy lighting in all fixed outlets	Very good
Floor	Suspended, no insulation (assumed)	N/A
Floor	To unheated space, no insulation (assumed)	N/A
Secondary heating	Room heaters, electric	N/A

Primary energy use

The primary energy use for this property per year is 299 kilowatt hours per square metre (kWh/m2).

How this affects your energy bills

An average household would need to spend £2,909 per year on heating, hot water and lighting in this property. These costs usually make up the majority of your energy bills.

You could **save £1,196 per year** if you complete the suggested steps for improving this property's energy rating.

This is **based on average costs in 2023** when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

Heating this property

Estimated energy needed in this property is:

- 15,073 kWh per year for heating
- 2,247 kWh per year for hot water

Impact on the environment	This property produces	5.4 tonnes of CO2
This property's current environmental impact rating is E. It has the potential to be C.	This property's potential production	2.2 tonnes of CO2
Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO2) they produce each year. CO2 harms the environment. Carbon emissions	You could improve this property's CO2 emissions by making the suggested changes. This will help to protect the environment.	
Carbon emissions		

6 tonnes of CO2

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

Changes you could make

An average household

produces

Step	Typical installation cost	Typical yearly saving
1. Internal or external wall insulation	£4,000 - £14,000	£805
2. Floor insulation (suspended floor)	£800 - £1,200	£229
3. Heating controls (room thermostat)	£350 - £450	£71
4. Solar water heating	£4,000 - £6,000	£91
5. Solar photovoltaic panels	£3,500 - £5,500	£597

Help paying for energy improvements

You might be able to get a grant from the <u>Boiler Upgrade Scheme (https://www.gov.uk/apply-boiler-upgrade-scheme)</u>. This will help you buy a more efficient, low carbon heating system for this property.

Who to contact about this certificate

Contacting the assessor

If you're unhappy about your property's energy assessment or certificate, you can complain to the assessor who created it.

Assessor's name John Mulligan Telephone 07957636080

Email john@propertysolutionsnw.co.uk

Contacting the accreditation scheme

If you're still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation scheme Quidos Limited
Assessor's ID QUID203178
Telephone 01225 667 570
Email info@quidos.co.uk
